Re: E-2 Sand, Reservoir A  
E-4 Sand, Reservoir B  
TP 1-2 Zone, Reservoir A  
Little Lake Field  
Jefferson Parish, Louisiana  
Docket Numbers: 06-1080 thru 06-1082  
Hearing Date: October 3, 2006

Dear Commissioner Welsh:

By letter dated August 28, 2006 (the "Application"), **MARLIN COASTAL, L.L.C.** ("**Marlin**") made application to your office for a public hearing to consider evidence relative to the issuance of an Order which would establish rules and regulations and create a single drilling and production unit each for the E-2 Sand, Reservoir A, the E-4 Sand, Reservoir B, and the TP 1-2 Zone, Reservoir A, in the Little Lake Field.

Pursuant to Rule 9 of the Revised Rules of Procedure for Conducting Hearings before the Commissioner of Conservation, Marlin hereby amends the Application by revising the size and shape of each of the proposed units as reflected on the attached plats. This revised unit proposal is a result of a compromise of differences with one of the Interested Parties, Alpine Gas WRO, LLC, who presented a counterplan at the Pre-

hearing Conference, and will be supported by all parties who were present at that conference.

In all other respects the Application shall remain the same, and to the extent necessary, the Application is hereby incorporated herein and made a part hereof by reference.

Pursuant to the Commissioner's Rules of Procedure, the Applicant will hold a conference to discuss this Revised Application, at 10:30 a.m. on Wednesday, September 20, 2006, at the Onebane Law Firm, 1200 Camellia Blvd., Suite 300, Lafayette, LA (Phone:337-237-2660). It is not necessary that any party request holding of the conference, since the **CONFERENCE WILL BE HELD**.

There is attached hereto and made a part hereof plats outlining the revised proposed units. Additionally, because of recent additions thereto, there is attached hereto and made a part hereof a list of the names and addresses of the parties to whom this revised unitization proposal is being sent. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished **ONLY** to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation. However, the list of parties will be provided to any party requesting a copy of it, at the cost of the requesting party. A reasonable effort was made to ascertain the names and addresses of all interested owners, represented parties and interested parties.

Very truly yours,

  
RANDALL C. SONG
